## FEBRUARY AIRLIFT TO UGANDA

Airlift Team Consisted of Two Individuals  
Bob Bignold National Director FGBMFA  
Jason Cordova, President of Joshua Chapter FGBMFA

### OVERVIEW

The Team was invited to Uganda by World Wide Mission Foundation (WWMF) to teach the African Men and Women business principles. WWMF was founded by Ron Devore a former Vice President of the Greater Seattle Chapter of the Full Gospel Business Men. Ron has been a missionary to Uganda for the last 20 years. The team taught five (5) "Business by the Spirit" Seminars, Spoke in three Churches, and visited several Orphanages and Schools which have received support from FGBMFA members in the Greater Seattle Area. We were also able to encourage a number of Christian Workers while in Uganda.

### BUSINESS SEMINARS

The airlift team arrived at the Mission House at 9:30 AM on Wednesday February 21<sup>st</sup> and was teaching the first Business classes in downtown Kampala at 12:00 noon the same day. There is a real move of God in Uganda. Each noon Business People from a number of different churches meet in a former theatre for prayer, instruction, and worship. Bob Bignold taught Business by the Spirit in these noon meetings. On Friday evening Bob Bignold gave his testimony in a "Full Gospel Business Men" type of business meeting. Jason Cordova ministered several the word of knowledge and word of wisdom to several of the Businessmen present. On the next Saturday Bob taught a seven hour Business Seminar in one of WWMF's Kampala Churches. On the following Monday Bob taught a four hour Business Seminar in a WWMF Church located three hours outside Kampala.

### CHURCH MEETINGS

On Thursday Evening Jason traveled with Pastor Kawaisa to a nearby village where he gave his testimony in a WWMF outreach meeting, approximately four hundred people came forward to receive Christ. On Friday Bob and Jason ministered from 5:30 to 8:00 in a WWMF Kampala Church. Bob spoke the main message, and Jason ministered in the Revelation gifts. Following the meeting the team prayed for all who had pain or were sick. Following that church service they were driven to a Business Men's meeting where they ministered from 8:30 PM until 10:30. The same night they ministered in a large downtown Kampala Church from 11:00 PM Friday until 2:00 AM Saturday, that service

did not adjourn until 5:00 AM Saturday morning. On the following Sunday Bob and Jason ministered in a WWMF church of about 200 people on the outskirts of Kampala from 8:00 AM until 2:00 PM. Bob spoke in the main Church; Jason spoke in the Children's Church and also ministered the Revelation gifts in the main congregation. Following the meeting the airlift team prayed for nearly one hundred people who had pain and sickness including a number of individuals who had malaria and internal problems. Every individual who had pain reported that the pain left them.

#### ORPHANAGES AND SCHOOLS

The team also visited several orphanages and schools operated by WWMF, one of these facilities provided schooling for 750 elementary school students, two hundred High School Students and one hundred Orphans. The team had an interest in the Orphanages and Schools as many of funds to construct these facilities had been received from individuals in the Seattle Area. Bob was also able to visit four orphans that his wife Barbara has been supporting for the last six or seven years. WWMF is doing a great work in Uganda and is a worthy place to invest your money in the Kingdom of God.
