PROJECT MANAGER'S REPORT

Re: The 2015 State Fair of Texas Gospel Outreach

Dear Supporter,

Thank you much for your part in helping us to get the gospel out this year at the State Fair of Texas.

This was our 15th campaign and was the best one yet.

Throughout the 1st three years of this outreach, we kept good records of the number of documented profession of faiths we witnessed....we averaged 45 per day. After that third year the Lord led us to stop counting salvations since only He knew for sure who was genuinely converted. Since then we shifted our focus to presenting the gospel to as many people as possible, we average about 175 per day. Nevertheless we feel confident in estimating that over 1000 people were birthed into the Kingdom as a result of the gospel preached from our booth in 2015.

Here is our **2 point mission statement** along comments as to what we did this year to accomplish our mission:

1. **Train and encourage as many people as possible to become experts in telling the story or presenting the good news of the gospel of Jesus Christ.**
 - a. Many took advantage of our 60 minute audio training and Million Dollar Eye Test tract pdf on our website. Check it out!! Copy and paste this link into your website browser: <https://www.fgbmfamerica.org/state-fair-of-texas-gospel-outreach/texas-state-fair-gospel-outreach-training/>
 - b. Others attended our 90 minute group training presentation. This training is communicated through a Power Point slide show with inspiring music!
 - c. Most were trained on site behind the booth by me for 30 minutes before they entered the fray.
 - d. We used Allen Jackson's version of the old classic "I Love to Tell the Story" to encourage/inspire/remind people to just tell the story of Jesus and His love, to just tell the people about Jesus and the good news of His story. Just introduce them to your Savior and watch for their reaction to Him: will they receive Him or reject Him?
 - e. We also encouraged our presenters to make the gospel message intensely personal in their role as ambassadors by delivering a marriage request proposal to the lost on behalf of our Lord Jesus Christ.
 - f. Our Facebook page following increased from 202 at the end of last year to 225 this year. Check us out and "like" us... Copy and paste this link into your website browser: <https://www.facebook.com/StateFairGospel>
 - g. This year we were able to recruit 222 different gospel presenters to fill 370 presenter-shifts over the course of the 24 days...that works out to be an average of 15 presenters per day.
 - h. We had 4 new leaders join us this year for a day or shift of gospel presentation at the fair.
 - i. For the second year in a row we held a 2 hour corporate prayer session at the booth on the Thursday night before the start of the Fair.
 - j. On our webpage a video that tells the story of the history of the Full Gospel Business Men and explains the Vision that God gave our founder Demos Shakarian, for reaching the lost with the Good News of the Gospel.
 - k. Check out the video on our webpage titled "Last Year's Story". This is a 10 minute video that celebrates those who served and the things they experienced at the 2014 outreach. 2. Present the gospel to as many of these visitors as possible for each of the 296 hours that our booth is open for business.
- a. We estimate that over 10,000 people approach the booth each year and in some form or fashion we engage in spiritual conversations and/or made presentations of the gospel on a face-to-face basis with over 5,000 of those visitors to our booth.
 - b. Although our primary purpose is face-to-face gospel presentations, we also handed out over 20,000 of the 6 different gospel message pieces we offer.
 - c. Weather was not a factor this year in terms of getting the gospel out.

We have already begun seeking the Lord as to His will for our role in the 2016 State Fair of Texas and would encourage you to do the same. We are also seeking Him as to exporting this concept to other state fairs throughout the USA.

Jesus IS Lord!

State Fair Gospel Outreach Project Manager

For the third year in a row I was able to be on site for the entire outreach thanks to the generosity of those who donated which allowed us the use of this RV for the entire fair!

Know that you are sowing seed into very fertile ground if this year is anywhere as fruitful as last year.

See what I mean and be blessed by looking at the pictures and testimonies on our website...it will inspire you for sure.
