

Hello Partners in the Gospel

ABOUT OUR WEBSITE - we have a professional 4-page website designed to get you informed, prepared and trained.

Training Part 1 - Preparing For The Outreach

<https://fgbmfamerica.org/index.php/training-1/>

We recommend you start preparing for your day of service at least 30 days in advance. Invest 30 minutes a day in some/all of the disciplines listed below.

Listen. Click to listen to the 60-minute audio training. You can also click to read along or download the transcript of this audio.

Study. Click to read/download our outreach “textbook”, which we call “The Million Dollar Eye Test” (in English & Spanish). Become knowledgeable in all 22 pages, but especially become conversant in the first 8 pages.

Pray. Click to read/download 56 scripturally effective prayers that can guide you in daily prayer for the outreach.

Watch The Full Gospel. Watch this 19-minute video and use it as a resource to help you become an ambassador for the Kingdom, become an expert at telling the story of Jesus (i.e. The Full Gospel) as accurately and thoroughly as possible.
