Rosie Nielsen led a team of 19 dedicated, fervent and effective Prayers in daily prayer over the needs and requests of the State Fair of Texas Gospel Outreach Leaders and Laborers. Here are just a few of the impacts that this super-important element of our Team had on our Outreach.

1. The fulfillment of the Double Harvest prophetic insight delivered by our President Alan Schmook <https://fgbmfamerica.org/wp-content/uploads/2021/12/The-Double-Harvest.pdf>.
2. In addition to Rosie's insights, I would like to praise God for the double harvest of our finance. Our previous 19 years saw us raise an average of \$19,000 for our budget. This year we raised \$41,000!!!
3. Months before the Fair started, we were warned by one of our Veteran Leaders that he sensed the enemy was going to wreak havoc/damage at the Fair. He was not specific as to whether that included our Outreach specifically or the Fair in general. Our strong prayers against this availed much in that we saw no evidence of damage or destruction or havoc wrought by the enemy.
4. We experienced many never-before-seen miracle salvations such as one I personally was involved in where some 30 foreign exchange students came to our booth and I lead 12 of them in an embrace of Jesus as their Lord and Savior. Other members of the Team led others of the students to Jesus as well. These students were from an anti-Christian country!
5. In the year leading up to this year's outreach I suffered a deadly heart attack (and was raised from the dead), six weeks of COVID infection and an extra-large kidney stone attack. Praise God, He healed me and strengthened me in the nick of time to be at full strength for the 30-day grueling State Fair of Texas Gospel Outreach # 20. It was a year of the best of times and the worst of times for me.
