PROJECT MANAGER's REPORT of 12.6.21

Re: The 2021 State Fair of Texas Gospel Outreach (#20)

Dear Supporter,

MUCH THANKS for your part in helping us to get the gospel out this year at the State Fair of Texas. **This was our 20th campaign and was the best one yet.** The theme of this year's outreach was DOUBLE HARVEST based on a prophetic insight given by Alan Schmook (President of our organization) that even though the pandemic cancelled last year's outreach we could expect a DOUBLE HARVEST this year SINCE God does not lose harvests. Our Prayer Director (Rosie Nielsen) best captured the essence of the manifestation of the DOUBLE HARVEST prophetic insight with her own insights as articulated in her report found here: <https://fgbmfamerica.org/wp-content/uploads/2021/12/The-Double-Harvest.pdf>

Throughout the first three years of this outreach, we kept good records of the number of documented professions of faiths we witnessed, averaging 45 per day. After that third year the Lord led us to stop counting salvations since only He knew for sure who was genuinely converted. Since then, we shifted our focus to presenting the gospel to as many people as possible, we average about 175 per day. Nevertheless, we feel confident in estimating that **over 1,500 people were birthed into the Kingdom as a result of the gospel preached from our booth in 2021.** That puts our 20-year total at approximately 22,000 which works out to a very efficient cost of \$15/soul.

Here are links that will give you details/highlights of our Ministry and this year's Outreach:

THE ON-SITE MANAGEMENT TEAM

Robert Schmidt – Booth Manager (left), Joanna Whitton – Follow-Up Director (second from left), Rex Whitton – Project Manager (third from left), Rosie Nielsen - Prayer Director (second from right) & Curtis Clements - Video Promotion Director (far right)

The Great Commission Jesus gave us was to go and preach the gospel and make disciples.

I have been praying for years to have a partner in this outreach who has a heart for discipleship like I have a heart

for preaching the gospel and so God brought Joanna to me. I was joined this year on a full-time basis by my wife Joanna who is over our Follow-up program. **WHAT A BLESSING!**

Her son Robert also answered the call of God to be our full time Booth Manager. Robert was responsible for getting the booth ready each day (PRAY, clean, stock, organize & swamp cooler operation). Robert is also a passionate soul-winner who was always ready to step in and preach the gospel. Rosie also stepped up her role as Prayer Director. Curtis did an exemplary job in his first year as our Video Promotion Director.

THE OUTREACH DIRECTORS TEAM

Roy Brian – Project Director (L)

Greg Simpson – Project Treasurer/Contract Administrator (M)

Rex Whitton – Project Manager (R)

The Directors strongly led us thru contractual challenges re Covid protocol issues and the raising of the financial support for our largest budget ever.

Of the 1500+ souls won for the Kingdom of which 765 requested prayer and/or follow-up by filling out a follow-up card. Our team of follow-up coordinators, under Joanna Whitton's direction is at work doing just that. Many are requesting Bibles, which we are working to get to them.

We have already begun seeking the Lord as to His will for our role in the 2022 State Fair of Texas and would encourage you to do the same about your role especially at this time of the year when we begin raising financial support for 2022.

Know that you are sowing seed into very fertile ground if next year's Outreach is anywhere as fruitful as this year's.
