A GATHERING OF BROTHERS

2024 Break-out Sessions

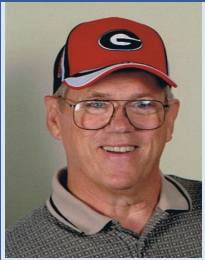

Jason Cordova is an Enrollment Manager with GITW Benefits providing supplemental insurance benefits to the Native Nations, Government Employees, as well as local businesses and personal clients. Under the wing of Bob Bignold, first FGBMFA President, Jason traveled to Russia, Africa, Central America, Canada, and around the United States teaching from Bob's book, "Business By The Spirit." Putting into practice the principles in BBTS and the Holy Spirit first in your life, speaking the Word of God in faith over your business and the spiritual needs of clients before sales, the Lord will bless you and increase you in all areas.

Dr. Brandon L. Key is the pastor of the Graniteville Community Church where he has served for the past 11 years. In that time, the church has grown from 27 people to over 400 in attendance. He has a Bachelor Degree in Education from USCA, a Master's Degree in Theological Studies from PTS, and a Doctorate in Strategic Leadership from Regent University.

Newman Smith will describe how to live in God's Glory. He was on the FBI's Most Wanted List and in prison found the Lord and learned to live in His glory. We was let out early and has been a minister of the gospel ever since.

Tom Allanson is the National Director At Large of the FGBMFA Prison Ministry. He also heads up the Georgia prison ministry groups, and has an after-care ministry for released prisoners.
